## PROFESSIONAL PROFILE

Dynamic Digital Marketing Specialist with hands-on entrepreneurial experience founding and scaling an Instagram-native retail presence ("Himberry Store"). Expert at converting multi-channel challenges into high-yielding digital growth funnels.

## ENTREPRENEURIAL & WORK EXPERIENCE

### Founder & Digital Director

*Himberry Store (Social Commerce Platform) | 2025 – Present*

- Orchestrated full brand launch, design language assets, and interactive media rollouts.
- Produced short-form digital intro videos and continuous visual content driving over 45% month-on-month follower growth metrics.
- Managed end-to-end supply metrics, organic SEO, and micro-influencer partnership networks.

### Digital Marketing Associate

*Vantage Media Agency | 2024 – 2025*

- Managed paid SEM campaigns yielding a 3.4x average return on ad spend (ROAS) across diverse enterprise profiles.
- Overcame customer acquisition challenges by performing deep semantic structural keyword changes.

## KEY STRATEGIC INITIATIVES

### Social Storefront Funnel Engineering

Designed custom visual templates and customer journey maps mapping exactly to user styling preferences, directly doubling inbound checkout leads.

## EDUCATION

### B.Sc. in Computer Science & Digital Electives

*Mahatma Gandhi University | Graduation: 2025*
